

CELEBRITY FEATURES & VEUX MAGAZINE

Thank you very much for your interest in VEUX Magazine! In order to help address some questions regarding celebrity features within the pages of our online and print magazine, we invite you to look over the following information.

The magazine highlights celebrities in two ways:

FIRST OPTION: A SIX-EIGHT PAGE EDITORIAL + FEATURE

To be eligible, please submit the following:

- **Your client's press kit/info.**
- **A six to ten page editorial that is relevant to the issue's theme.**
 - o Our bimonthly themes are available online under the "Submit" tab, but you can always contact info@veuxmag.com for more information.
 - o The editorial must be previously unpublished (the images should not have already appeared in other publications both online and print, including Facebook, Twitter, Blogs, etc.)
 - o Fashion/beauty/lifestyle/art editorials are welcome.

What you get:

- **Four to eight pages in the magazine – online and print.**
- **Cover consideration**
 - o Please see more information on our COVER POLICY page.
- **Interview to be included with the editorial.**
 - o Optional on a case-by-case basis.

OR

SECOND OPTION: A TWO-TO-FOUR PAGE FEATURE + PHOTOS

To be eligible, please submit the following:

- **Your client's press kit/info.**
- **Four to six images featuring your client** (they do not have to belong to a themed, cohesive editorial)

What you get:

- **Two to four pages in the magazine – online and print.**
- Please note that by selecting this option, your client will not be considered for the cover (unless previously agreed upon).

Is publication guaranteed?

VEUX strives to showcase diverse talent and accommodate artists of all walks of life, from actors and musicians to designers and visual artist. In order to consider your client for our magazine, the editors first need to be granted the required materials. Please note that it takes up to a full week for the content to be reviewed and for the magazine to make its decision. Publication is not a guarantee unless in writing. All subjects featured in the images as well as the photographers who took the pictures must be willing to sign our standard photo release.

Tips: Due to the fact that we receive a high volume of requests from publicists, it is advised that your proposal is appropriate for the theme of the issue you are submitting for. We are also much more likely to accept a fashion/beauty/lifestyle editorial vs. a collection of non-cohesive images.

FAQ:

Can my client be featured on the cover?

Please see the COVER POLICY page.

Do you provide print copies to all contributors?

At this point in time, we are unable to provide print copies of the magazine to every single contributor. We do, however, provide high-resolution tear sheets that can be used for online display and printing.
